

ConstructReach

Tiered OFFERINGS

The construction industry is in crisis with more exiting the field than new professionals entering it. Combine that fact with a decreased interest in the construction sector by diverse young people and a perfect storm is being created. As a team of construction consultants, specializing in DEI, internship and onboarding programs, and recruitment and retention processes, ConstructReach helps you develop and enhance diversity initiatives, position your company as an advocate, enhance your company's visibility, and save you money in recruitment and retention efforts.

IMPACT

Assess. Develop. Evaluate.

\$35,000

Impact is designed to assess and evaluate Organizational health within companies. Our expert team employs data-driven methodologies to analyze your current landscape, measure progress, and identify areas for improvement.

Through customized assessments, benchmarking, and actionable insights, Impact helps you understand your performance, set meaningful goals, and track your journey towards a more inclusive workplace. Whether you're starting your diversity efforts or looking to enhance existing programs, Impact provides the tools and expertise to drive meaningful change and foster a culture of belonging.
